

Luanshya held Various Activities to Celebrate International Labor Day

Our branch company in Zambia--Luanshya held various activities to celebrate the International Labor Day and Youth Day.

In the morning of May 1st, 22 Zambian employees from different departments received the Hard Work Award, Integrity Award, Work Progress Award and some other awards. The company also organized staff to participate in the parade initiated by the government to celebrate May Day. Zambian education minister gave a keynote speech in this parade. He said he was glad to see the transformation of the reward form from cash to household articles, and he fully supported that the prize-winners could receive awards together with their family members. Subsequently, the Zambian representative Scotch Mhango said after receiving the reward: "I'm very happy that my hard work was affirmed and encouraged. I will continue to work hard for the company's development and the wellbeing of my family."

In the afternoon, staff from Luanshya and 15MCC Africa held an exciting basketball match to promote feelings. In the night of May 4th (Saturday), Luanshya held a relaxing karaoke game. The players took an active part in this game, which showed the actively forging ahead spirit of the

Luanshyaers. In the afternoon of May 5 (Sunday), the company organized the staff to go out together to enjoy barbecue and the precious rest time. Through these various activities, not only the workers were relieved from the pressure of work, but also the communication of the brother units and employees and the centripetal force and cohesion of the company were enhanced.

Chinese and Zambian employees of Luanshya celebrated the International Labor day together.
