On July 21, 2013 Zambia local time, Zhou Yuxiao, Chinese ambassador to Zambia, paid an investigating visit to NFC Africa Plc (NFCA), an enterprise of CNMCL in Zambia. The relevant chiefs of several other enterprises of CNMCL in Zambia, including CLM, CCS, and SMLZ, also attended the meeting with the ambassador.

Ambassador Zhou Yuxiao listened to the reports by the chiefs of the aforesaid four enterprises on their production and

operation conditions and the problems with them. He fully affirmed CNMCL and its enterprises' principle and practice of "developing the enterprises, repaying the shareholders and employees, and benefiting local communities." He hopes that the enterprises continue to make new contribution to China-Zambia economic cooperation and friendship continuity.
