On October 23, 2012, Zambia local time, Chambishi Copper Smelter Limited (CCS), a Zambia-stationed enterprise of CNMC, handed over a trading market in Chambishi to Kalulushi council as its donation. The handover ceremony was held at

Chambishi Town. The donation is one of the public welfare projects of CCS for local community. Mr. Yu Zhongqin, deputy CEO of CCS, Mayor Mr. Simpemba, municipal officer Ms. Msameba, councilor Mr. Nasinda, and a number of local people attended the ceremony.

During the ceremony, Mayor Mr. Simpemba, municipal officer Ms. Msameba, and councilor Mr. Nasinda gave speeches respectively. They highly affirmed and praised the public welfare donation by CCS to Chambishi community. On behalf of CNMC, Yu Zhongqin, deputy CEO of CCS, said that CCS would always carry out public welfare projects step by step based on its social public welfare donation plan to support local social and economic development. The donation of the market is another effort this year after the donation of Chambishi Clinic and an steel bridge. The project involves an investment of 15,000 USD and serves mainly as a second-hand clothes market in Chambishi Town.
