Luanshya

On the morning of May 30, 2013 local time, CNMC Luanshya, one of CNMCL's enterprises in Zambia, donated some milk powder and oatmeal for children to Rotary International Luanshya Branch, an international charity organization dedicated to providing aid to AIDS patients. The donation is to help the mothers in poverty who live in three

major towns of Luanshya District, Mikomfwa, Mpatamato and Roan, and are unable to breast-feed their young children due to their contracting of AIDS.

According to Ms. Sherry I. Coleman, chief of Rotary International Luanshya Branch, “Aid to AIDS Patients” is an international charity project. She said that the donation from CNMC Luanshya was not only a help to the poor mothers in Luanshya District, but a contribution to international charity cause. On behalf of Rotary International, she expressed sincere gratitude to CNMC Luanshya for its support and help to “Aid to AIDS Patients” project.

AIDS is a bane of the social and economic development of Africa. CNMCL has worked out its anti-AIDS policies for its operation in Zambia. It has always been taking an active part in social welfare activities for AIDS prevention and control.
